RE: Instruction Hub and Learning Management Showcase

The Instruction Hub & Learning Management System Showcase will take place on March 17, 2023, from 9:30am to 3:00pm at Lexington High School in Lexington, South Carolina.

The showcase is an opportunity to learn more about the Instruction Hub, statewide vendor content available in the Hub, and the different learning management systems being used in South Carolina. By attending this event, you can expect to deepen your understanding of the Instruction Hub and its role in teaching and learning, as well as gain insights into the various instructional resources available, including statewide purchased content, SCDE-created resources, adopted textbooks, and open resources.

The showcase will also provide an opportunity for attendees to learn about customizing courses for their district and explore technical rostering and integration solutions. Breakout sessions will offer a chance to see the full integration of the Instruction Hub and the Learning Management System and to discover professional learning opportunities, both online and in person.

[Registration via this link](#) will secure your spot at the Showcase. Additional details will be sent to all participants in advance of the event.
