RE: Math Adoption information

This is a reminder about the upcoming Math Curriculum Caravans in February. Presentations are at nine sites across the state to hear and see publishers present their approved materials and receive guidance from SCDE on high-quality instructional material (HQIM) implementation. Training for instructional technology team members and textbook coordinators will also be available at these events.

Locations and Dates:

- February 18: Florence
- February 19: Charleston
- February 20: Myrtle Beach
- February 21: Beaufort
- February 24: Columbia
- February 25: Aiken
- February 26: Richburg (Rock Hill)
- February 27: Greenville
- February 28: Clemson

Please register by Friday, February 14, 2025. We look forward to seeing you at the Math Curriculum Caravan. Registration Link: [Caravan Registration](#)

The Office of Instructional Materials shares the list of approved Math Curriculum for the 2025-26 adoption. Additional programs have gone through a Cure Period process. These select programs have been recommended and are currently available for public comment. The final approved and the pending SBE approval cure materials are listed below. The Cure Period programs will be presented at the State Board meeting for official approval on February 4, 2025. Information on the selection of district materials will be shared at Caravans.
