RE: MTSS Coordinators and MTSS Leadership Teams Professional Learning Opportunities and Revised MTSS Framework and Guidance Document

The Office of Early Learning and Literacy is dedicated to providing support and professional development opportunities to aid schools in better serving all students. We are pleased to announce monthly PLOs for MTSS Coordinators and MTSS Leadership Teams beginning in November 2024 entitled *MTSS Gather and Grow Collaboratives*. These sessions will support Multi-Tiered System of Supports (MTSS) implementation in districts and schools.

Each monthly collaborative will occur virtually from 9:00am-10:30am on the second Thursday of each month offering opportunities to interact with colleagues from around the state. Interested participants should register using this [link](#). An email will be sent to all who register including the virtual link and information about the upcoming session. Dates for the 2024-2025 school year are as follows:

Jan. 9th, Feb. 13th, Mar. 13th, Apr. 10th, and May 8th

MTSS Leadership Teams are charged with blending all components of MTSS into an effective system to support all students and improve student outcomes. *MTSS Gather and Grow Collaboratives* are designed to support district and school MTSS Coordinators and MTSS Leadership Teams as a companion to the revised *South Carolina Multi-Tiered System of Supports Framework and Guidance Document* found on the [MTSS webpage](#) of the SCDE website. Participants attending these monthly collaboratives will understand the impact of intentional leadership, data-based problem solving, three-tiered instruction/intervention, capacity building and infrastructure, communication and collaboration, and data evaluation.
