DATE: October 29, 2024

RE: Office of Assessment and Standards Spring 2025 Professional Development for the *2025 South Carolina College- and Career-Ready Mathematics Standards*

The South Carolina Department of Education Office of Assessment and Standards will offer a free two-day train-the-trainer professional workshop for school based instructional leaders. Attendance will be limited to six (6) attendees per district. District teams should include a variety of school based instructional leaders such as teachers, coaches, department chairs, and special populations educators that represent each grade band. Sessions will consist of face-to-face experiences to focus on the *2025 South Carolina College- and Career-Ready Mathematics Standards*. The sessions are designed in the train-the-trainer model where attendees will be equipped to prepare the appropriate staff in their districts to transition to the 2025 Math Standards in the 2025–2026 school year.

All face-to-face sessions outlined in the memorandum (see chart on next page) will begin promptly at 9:00 a.m. and conclude by 4:00 p.m. with a one-hour lunch break. Participants should plan to arrive between 8:30 a.m. and 8:45 a.m. Registration must be submitted in advance via the linked [online registration form](#).

Spaces are limited. Attendance will be confirmed via email two weeks before the workshop date.

For questions about these sessions, please contact Dawn Hood at dbhood@ed.sc.gov or Sandra Ammons at sammons@ed.sc.gov.
