

MEMORANDUM

TO: District Superintendents
Instructional Leaders
Principals
District Textbook Coordinators
School Textbook Coordinators

FROM: Lee M. D’Andrea
Director, Instructional Materials and Instruction Hub

DATE: March 25, 2025

RE: Office of Instructional Materials Updates: Math Adoption Choice(s)

This memo provides critical updates and actionable guidance regarding the adoption of K-12 math instructional materials. Please review the information carefully to ensure timely compliance with outlined processes and deadlines.

Instructional Materials Adoption Choice (Action Required)

The State Board of Education (SBE) approved the K-12 Math materials on January 7th and February 4th, 2025. The [Approved Adoption List](#) is posted on the SCDE Office of Instructional Materials website. In addition, Caravans were held in nine locations across the state. [Webinars](#) on selecting High-Quality Instructional Materials (HQIM) are available.

Superintendents or their designee must complete the [District Selection](#) form. Districts are encouraged to complete their local review and complete the district processes as soon as possible. The SCDE must have the completed form before adding textbooks to the Destiny module for ordering. Pre-order opens March 24th and closes April 11th. The SCDE appreciates the attention to updating all Textbook Coordinators in the last few weeks. We now have a person listed for every district and school.

Summer ordering will open after PowerSchool rollover. Books ordered during this summer ordering time may not be shipped in time for the start of the 2025-2026 school year.

Summary of Required Actions and Deadlines:

1. **Complete the District Publisher(s) Choice’s form.**
2. **March 24-April 11:** Preorder newly adopted materials, including math.

Thank you for your cooperation as we work to ensure high-quality instructional materials are available to all South Carolina students. If you have any questions or require further assistance, please do not hesitate to contact us.
