RE: Rescheduled Administration of the ACT® due to COVID-19

The purpose of this memorandum is to provide information for the seventeen districts that had students who registered for but were unable to complete ACT testing on March 24, 2020, due to school closures. As an extension to the spring testing, ACT, Inc. is adding an opportunity for districts to administer The ACT® to students in early June 2020. ACT, Inc. is adding these dates to the PearsonAccessNext system. Students who were approved for ACT-authorized accommodations for spring testing will be allowed to use the approved accommodations during this June testing.

The test dates are as follows:

- June 2: Standard Paper Test Date;
- June 2–4: Standard and ACT-Authorized Accommodations administered online; and
- June 2–5 and 8: Accommodations Paper Window.

The South Carolina Department of Education must submit the names of the applicable districts that are interested in administering The ACT® by April 10. If your district is interested in administering The ACT® to your students who were scheduled for the March 24th testing date, but not tested because schools closed, please notify Lynn Ferguson at lferguson@ed.sc.gov by April 9.

ACT, Inc. will be providing additional information as soon as possible, including information about fall administration test dates. If you have any questions in the meantime, please contact Lynn Ferguson.
