RE: School Calendars and Closures

Pursuant to [S.C. Code of Laws § 59-1-425](#), the South Carolina Department of Education (SCDE) annually, before July 1, must provide the South Carolina General Assembly with a detailed report of information from each district listing the number of (1) days missed and the reason, (2) days made up, and (3) days waived.

For the SCDE to compile this report with accurate information, each district is asked to review and update its school and district closures, days made up, and days waived for the 2022-23 school year using the Calendar and Closures application in the Member Center by June 9, 2023.
