RE: School Climate and Safety Training Opportunities

The Office of Student Support is hosting several school climate and safety trainings. These trainings are designed to equip participants with tools and best practices that support and maintain safe school climates. Please share this information with the appropriate individuals in your district and schools and encourage them to use the links below to register. There is no cost for these trainings, but space is limited and registration is required. Information about each training is found in the registration link. Trainings are in-person unless stated otherwise.
