ASSURANCE: Check *ONE* of the following based on recommendations resulting from the State Fire Marshal and South Carolina Department of Education's review process in accordance with SC Code Annotated 59-17-160(C). All signed Assurance documents must be uploaded into the South Carolina Safety Portal via the Member Center.

____ 1. Our District's Model Fire and Safety Policy has been reviewed, updated, and approved by our district's school board.

____ 2. Our District's Model Fire and Safety Policy has not been reviewed, updated, or approved by our district's school board. *If this box is checked provide an explanation below.*

____ 3. Our district's Model Fire and Safety Policy has been reviewed and there were no recommended updates or changes.

Explanation for assurance #2

CERTIFICATION: The signature of the Superintendent below certifies the following:

- A. All statements are true and correct.
- B. I understand the State Fire Marshal and the South Carolina Department of Education will review this Statement of Assurance.
- C. I understand that any decision to not implement recommendations of the State Fire Marshal and the South Carolina Department of Education is made at the district's own risk and the State bears no liability for any party's losses arising out of the district's decision to not follow the State's guidance.
- D. Our district's Model Fire and Safety Policy will be reviewed annually, and *only* District School Board approved changes will be uploaded to the SC School Safety Portal.
