RE: WIN Career Readiness Assessment

This memorandum is with regards to the WIN Career Readiness Assessment. The Office of Career and Technical Education and Student Transition Services (OCTESTS) has provided the WIN Learning Career Readiness Courseware Suite for all school districts to assist students in grades 9–12 with preparation for the state’s Career Readiness Assessment. The WIN Learning Career Readiness Courseware Suite includes the Work Ready and Essential Soft Skills Courseware. Additionally, the Career Readiness Courseware Suite comes with professional development that will be offered on-site, as well as, accessible virtually through scheduled webinars. The professional development opportunities will be coordinated by WIN Learning to begin January 2023. Correspondence regarding the dates for training will be forthcoming.
