School-Located Vaccination Clinics: Best Practices for School Districts

SC DHEC and the CDC now [recommend](#) for all children ages 5 and older to receive the COVID-19 vaccination. School-located vaccination clinics help make COVID-19 vaccination as accessible as possible to students. The information linked below can serve as a roadmap for how district administrators can work directly with health departments and other vaccine providers such as pharmacies to [set up vaccination clinics](#) in places that K-12 students and their parents know and trust.
