UPDATES

Voice Phishing

The Office of General Counsel has been made aware that someone impersonating one of its staff members has been calling school principals under the guise of selling supplies. Please know that the SCDE will never ask you for credit card information over the phone.

Gavin's Law

The SCDE has created a landing page for [Gavin's Law](#) that contains information regarding the law itself, and informational videos from the bill's sponsor, Rep. Brandon Guffey. The purpose of these videos are to inform districts and school staff of the law and best practices on how to implement. Districts and schools are encouraged to share these videos with parents.

If you have any questions regarding the information, please email communications@ed.sc.gov.
