MEMORANDUM

TO: District Instructional Leaders

FROM: Cathy Jones-Stork
Interim Director, Office of Standards and Learning

DATE: March 19, 2015

RE: Secondary Mathematics Course Titles and Activity Codes

The purpose of this memorandum is to provide clarification regarding secondary mathematics course titles and activity codes.

South Carolina College- and Career-Ready Standards for Mathematics 2015 was approved by the Education Oversight Committee on March 9, 2015 and the State Board of Education on March 11, 2015. The new standards are available for download at <http://ed.sc.gov/scde-grant-opportunities/NewSCStandards.cfm>. Under the new law passed by the South Carolina General Assembly (Act 200), the new standards are required to be implemented in South Carolina schools for the 2015 – 16 school year.

Subsequent versions of the Activity Coding System will list the secondary mathematics courses included in *South Carolina College- and Career-Ready Standards for Mathematics 2015* as they are identified below. The activity codes for these courses will not change. District Programs of Study should be updated to reflect the course title changes.

- Algebra 1 (4114)
- Foundations in Algebra (4116)
- Intermediate Algebra (4117)
- Algebra 2 (4115)
- Geometry (4122)
- Probability and Statistics (4141)
- Pre-Calculus (4131)
- Calculus (4135)
