RE: SLO Approval Process Refresher Training

As a means to further support the implementation of Student Learning Objectives (SLOs) for the 2015–16 school year, the South Carolina Department of Education’s (SCDE) Office of School Leadership is hosting two “refresher” sessions open to all individuals who have attended or completed the SCDE SLO Evaluator Training.

These sessions will be presented in our classroom at the S.C. Archives and History Museum, located at 8301 Parklane Road, Columbia, S.C. 29223, and will be held on **Monday, October 12, 2015**. **Session 1 will be from 9:00 a.m. until 12:00 p.m. and Session 2 will be from 1:00 p.m. until 4:00 p.m.** Both sessions are identical.

These presentations are designed to review and emphasize key elements covered in the SLO Evaluator training modules and, in particular, the key role the principal plays in the SLO development and approval process. Given that both sessions are structured as “refresher” classes, applicants should be individuals who have completed previous training modules either with the SCDE or in the district.

Because of space considerations, both sessions are each limited to 36 participants and registrations will be approved based on the arrival of their submission.
