ACCOUNTABILITY

Education and Economic Development Act Accountability Deadlines

AUDIENCE: District Superintendents, Finance Directors, Principals, School Counseling Directors

CONTACT: Sherrie Beaver, sabeaver@ed.sc.gov

For accountability purposes related to the Education and Economic Development Act (EEDA), the Office of Student Intervention Services (OSIS) collects two documents annually: the Employment Verification Form (EVF) and the Career Specialist Accountability Report (CSAR). Additionally, individual graduation plans must be developed or annually updated for

all students in grades 8–12.

The EVF is designed to ensure that the South Carolina Department of Education has provided funds directly to districts to assist schools in hiring adequate staff to meet the 300:1 student-to-guidance personnel ratio required by the EEDA. Therefore, an EVF must be completed by all school counseling personnel (counselors and career specialists) whose positions are either fully or partially funded by the EEDA. Please pass this information on to the appropriate school counselors and career specialists and require them to complete the [2020–21 Employment Verification Form](#) online as soon as possible but no later than Friday, October 30, 2020.

The CSAR is designed to ensure that school counseling personnel are coordinating or facilitating various career awareness, exploration, and preparation opportunities for students throughout the academic year. Therefore, a CSAR must be submitted twice each year—in January and May—for each middle, junior high, and high school, as well as each elementary school that serves sixth-grade students.
