

# STATE BOARD OF EDUCATION

## SYNOPSIS AGENDA/EXECUTIVE SUMMARY

<b>CODE:</b>	EP-02
<b>COMMITTEE:</b>	Education Professions
<b>DATE:</b>	September 13, 2016

### SUBJECT/TITLE

Proposed Amendments to State Board of Education (SBE) Regulation 2 S.C. Code Ann. Regs. 43-51 (R.43-51), Certification Requirements (First Reading)

### PURPOSE OF REPORT/REGULATION/ITEM

SBE R.43-51 governs the requirements for granting educator certification. Amendments to R.43-51 will clarify that both content and pedagogy examinations must be presented for certification; clarify the experience requirement necessary for an out-of-state educator to qualify for a professional, as opposed to an initial, teaching certificate; include provisions for issuing certificates for qualifying participants in all currently approved alternative certification pathways; and modify language within the regulation.

### CRITICAL FACTS

R.43-51 outlines requirements for certification. Changes will clarify information regarding required examinations and that an initial certificate is issued to an out-of-state educator presenting less than twenty-seven months of successful teaching experience within the last seven years. Alternative pathways approved since the last update to the regulation have been added. Current language is specific to a particular educator preparation accrediting body (the National Council for Accreditation of Teacher Education (NCATE)) and offices within the South Carolina Department of Education (SCDE). The purpose of these amendments is to remove specific organizational names as these names often change. The new educator preparation accrediting body is the Council for the Accreditation of Educator Preparation (CAEP); however, a new accrediting body may be formed in the future. This change would eliminate the need for a regulation change any time an accrediting body or SCDE office changes.
