FINDINGS OF FACT

The State Board has jurisdiction in this matter pursuant to S.C. Code Ann. § 59-25-150 (Rev. 2004) S.C. Code Ann. § 59-25-160 (Rev. 2004).

Ms. Henderson holds a professional South Carolina educator certificate and has over twenty-two years of teaching experience. She has no prior record of disciplinary action with the State Board. Ms. Henderson had been employed by the Oconee County School District (District) since 2006 as an Assistant Principal at West Oak High School (School). Ms. Henderson resigned from the District, effective November 1, 2015.

On June 30, 2015, a student reported to Ms. Henderson that another student and a male administrator were allegedly engaged in an inappropriate relationship. The student informed Ms. Henderson that questionable text messages had allegedly been exchanged between the other student and the male administrator and that some pictures had also been allegedly sent by this student to the male administrator. Ms. Henderson failed to immediately report this matter and did not notify District administration until July 23, 2015. The District promptly investigated the matter and placed Ms. Henderson on administrative leave, effective August 5, 2015.

On December 18, 2015, the SCDE sent notice to Ms. Henderson via regular and certified mail, return receipt requested, that the State Board would meet to make a determination regarding disciplinary action of her South Carolina educator certificate based on the provisions of S.C. Code Ann. § 59-25-160 (Rev. 2004), for unprofessional conduct. On December 21, 2015, Ms. Henderson received the notice as evidenced by a signed postal receipt bearing her signature. On December 30, 2015, Ms. Henderson contacted SCDE to request a hearing. Prior to scheduling the hearing, Ms. Henderson informed the SCDE that she desired to waive her right to a hearing and seek an alternative resolution to this matter. Ms. Henderson agreed to enter into this Consent Order of Voluntary Surrender of her administrative certifications in Elementary Principal and Secondary Principal, effective April 12, 2016. Ms. Henderson will retain her certifications in Elementary, General Mathematics, and Middle Level Mathematics with no restrictions or conditions.

Ms. Henderson agrees to the surrender of her administrative certifications Elementary Principal and Secondary Principal, subject to the following conditions: (1) her Elementary Principal and Secondary Principal administrative certifications will become invalid immediately upon the approval by the State Board of the Consent Order of Voluntary Surrender; and (2) she has waived her right to a hearing and understands that the terms set forth are not subject to reconsideration, collateral attack or judicial review.

§ 59-25-160 (Rev. 2004). Just cause includes “unprofessional conduct and evident unfitness for position for which employed.” S.C. Code Ann. § 59-25-160 (Rev. 2004); 24 S.C. Code Regs 43-58 (2011). The State Board finds that the evidence presented by the SCDE demonstrates that Ms. Henderson engaged in unprofessional conduct as a result of her failure to report substantial evidence of an inappropriate relationship between a male administrator and a student. The evidence presented supports the State Board’s decision to accept the voluntary surrender of the administrative certifications of Elementary Principal and Secondary Principal, issued under the name of Stephanie Marie Henderson, effective April 12, 2016.

Now, therefore, it is ordered that the Consent Order of Voluntary Surrender is accepted and the administrative certifications of Elementary Principal and Secondary Principal of Stephanie Marie Henderson, are hereby declared invalid.

AND IT IS SO ORDERED.
