RE: 21st Century Community Learning Centers Grant Opportunity

The South Carolina Department of Education (SCDE) announces that the 2015–16 Request for Proposals for the 21st Century Community Learning Centers (CCLC) grant program is now available online. Approximately \$4.5 million in funding will be distributed on a competitive basis and the deadline to apply is **April 27, 2015**.

For this funding round, the SCDE will fund single public school districts, individual public schools, private schools, public charter schools, community-based organizations, faith-based organizations, and other public or private entities. Applicants must propose to establish or expand activities in community learning centers that provide opportunities for academic enrichment and tutorial services; offer students a broad array of additional services, programs, and activities; and offer families of students served opportunities for literacy and related educational development.

The SCDE will offer a technical assistance webinar for interested grant applicants on **Tuesday, March 17, 2015, from 10:00 a.m.–12:00 p.m.**, via Blackboard Collaborate.
