RE: School Improvement Grant Application Submitted

The South Carolina Department of Education (SCDE) has submitted South Carolina's application to the U.S. Department of Education to conduct a new cohort of the School Improvement Grant (SIG) Program. Once approved, the application will enable the SCDE to conduct a new subgrant competition in 2015 for eligible LEAs (i.e., school districts with identified Priority Schools and Focus Schools as required by the state's ESEA Flexibility Waiver).

The application is accessible for public review [here](#).

Eligible LEAs are invited to submit comments regarding this waiver request via email to SIG@ed.sc.gov. Please include "SIG Application" in the subject line.
