Personal Pathways to Success Contest

Clusters, majors and IGPs have been part of our school experience for the past five years. As we reflect on our accomplishments and chart our next steps, we would like to recognize and award Best Practices that have fueled our success so far.

Guidance Counselors and Career Specialists are invited to submit applications for ideas or programs that have promoted quality experiences for students and parents, involved the business community and advanced the career development dialogue. Best Practices promote the efficient use of time and resources, involve the use of technology and make important connections between school and the real world.

Submit completed application to Tiffany Robinson at (eedasupport@ed.sc.gov) with length limited to cover sheet with identifying information and brief description and three additional sheets for supporting documentation and/or evidence.

Deadline date for electronic submission is October 15, 2011.

Winners to be announced December 1, 2011.

Prizes will be awarded to individual schools.

Westwood Today...Success Tomorrow

December 6, 2010

Dear Mrs. Mountford,

Thank you for being part of Westwood's Career Day and contributing to our students' future success. Our students and teachers have shared how much they learned from you.

Uniqueness was our character education word for the month of November which means "Learning more about others so you can know more about yourself." Thank you for providing this opportunity for our students.

You made Career Day an experience that our students will never forget. We truly appreciate your effort, time, and willingness to be part of our Career Day. Merry Christmas and Happy New Year!
