District Superintendent's Report

Allendale County School administrators, teachers, and staff are working hard to raise student achievement at all levels in order to meet the district and the state's 2010 educational goals. The district's Strategic Plan supports student achievement by utilizing MAP test preparation, Tetradata, OnCourse, Plato, and eIGP support. We are committed to ensuring that each child receives a quality education by increasing parent and community involvement, developing positive school and classroom environments, and enhancing school safety.

At Fairfax Elementary School, several of our 1st grade students are reading at the 3rd grade level. Allendale Elementary is a Red Carpet School, and students there made gains in Social Studies on PACT. The school also received the 21st Century Afterschool Grant. Several Allendale-Fairfax Middle School students were identified as Junior Scholars, and the school was represented at the National Youth Leaders Conference in Spartanburg, SC. Several students also attended the SC Governors School of Arts and Humanities. Allendale-Fairfax High School Debate Team, Beta Club, ROTC, Girls Volleyball Team, Varsity Basketball, and Varsity Football Teams all performed well this year.

The district is committed to ensuring that each child is prepared for college or the workforce. When students enter the classroom on the 1st day of school, a certified teacher must be in the classroom. The District has established a curriculum that promotes achievement, using data to support and determine instructional decisions.

We thank our teachers, staff, parents, business partners, and community members for their continued support as we move forward to improve student achievement in Allendale County Schools.

We look to the future, learning from the past.

Ora L. Watson, Ph.D.
Superintendent
