District Superintendent's Report

A journey of a thousand miles begins with one step. The journey of academic excellence is one that we take seriously in Florence County School District Five. Although we have been on this journey for quite some time, we still have miles to go in the never-ending task of educating our children.

I am very proud of the academic success our schools have experienced. With the new accountability laws, we must strive to reach new and enduring levels of excellence. We welcome the challenges with excitement and anticipate great achievements. We know that we can and will excel as our students embark on this new era.

The report card will offer our community access to the important data relative to the Florence Five school district. We are available to discuss your comments or concerns about this report, and we invite you to visit our schools.

Much progress has been made due to the commitment and support of board members, teachers, district employees, students, parents, and citizens of the Johnsonville area. The future is bright, and we must continue to strive for excellence. Resources are limited, but our commitment to providing quality educational opportunities for all students is unlimited. Our challenge is to continue to be "The Pride of the Pee Dee."
