District Superintendent's Report

The most exciting goal achieved by BLPS was meeting the No Child Left Behind's Adequate Yearly Progress standards. Using a positive discipline approach, BLPS faculty members are very proud to report that discipline referrals have been reduced from 923 in 2005-2006 to 551 this year.

An uninterrupted reading block was scheduled for 1st and 2nd graders to ensure that students receive reading and writing instruction without being pulled out for other services. Thinking Maps and Write from the Beginning programs, which help students brainstorm about subjects and then write stories or factual information using a writing formula, has proven to be a wonderful success.

Both BLPS and BLES were designated Healthier U.S. School Challenge Silver Team Nutrition Schools by the U.S. Department of Agriculture, the first in South Carolina. BLES students made significant gains on MAP this year. Six elementary students won science awards at the University of South Carolina Regional science fair. Teachers and students also instituted a butterfly garden on campus to be used to study plants and insects.

BLMS was recognized as one of only 14 out of 267 middle schools in the state to be designated as a South Carolina Academic Silver Award Winner. The implementation of teaming with teachers has fostered better instruction and more effective parent conferences. During 2007-2008, every BLMS academic teacher was equipped with a laptop, projector, document reader, and an interactive tablet to enhance instruction.

The afterschool programs at BLPS, BLES, and BLMS, funded by 21st Century Community Learning Center Grants, have proven successful in improving student academic performance and social skills. The district mentoring program continues to boast 40 mentors.

The class of 2008 at BLHS received \$3.3 million in scholarships. In addition, 53 students qualified for either 2-year or 4-year LIFE Scholarships. Six students qualified for the Palmetto Fellows Scholarship. Our Marching Band competed in the State Finals for the fifth consecutive year and finished fourth in the state.

Continuing a proud tradition of excellence in athletics, nine varsity sports teams qualified for the state playoffs with two teams winning region championships. Four athletes won Region Sportsmanship awards. Thirty-three players made All-Region teams and three were named Region Players of the Year. In addition, our BLHS head baseball coach was selected Region III Coach of the Year. Finally, Lexington Three is one of only 5 of 85 school districts in the state to have 100% of its teachers certified as being "Highly Qualified" under the Federal No Child Left Behind Act (NCLB) standards.
