* Prior year audited financial data available.

CHARTER SCHOOLS IN DISTRICT

School Name	Absolute Rating	Growth Rating	Adequate Yearly Progress
There are no charter schools in this district.			

REPORT OF SUPERINTENDENT

Thank you for taking the time to look over our district report card, it contains valuable information concerning our student performance indicators. The Board of Trustees and administration appreciate your involvement in and support of our schools.

In an effort to provide programs that continue to challenge our students and staff, several initiatives have been implemented or are in the process of being added. These initiatives include the International Baccalaureate Program at Hendrix Elementary, investments and training in technology, a Scholars Academy in partnership with USC Upstate, a college entrance program with Spartanburg Community College, and the availability of instructional coaches in every school.

We are striving to keep our schools among the safest in the state. Modifications to front entrances were completed at several schools to improve security. All schools have access to nurses, and school resource officers are provided at middle and high schools. A secure environment is essential for learning.

Our student population is growing by approximately 250 students per year. Through the wise use of resources, the district has managed to keep up with the growth without approaching taxpayers for a school building bond referendum. Our newest school building, Chesnee Elementary, will open for the 2008-09 school year. Additional school facility expansion projects have been completed, and construction should begin on a new middle school this year.

Five advisory councils meet with the superintendent and staff quarterly to provide and receive information on current issues facing the schools. Members of the local business community, parents, teachers, support staff, and students advise us on ideas and initiatives.

Spartanburg School District Two is a wonderful place to live and work. The presence of faith and strong families enable us to more easily educate your children. Thank you for choosing to live here and for working with us in this most important endeavor.

Scott J. Mercer, Superintendent
