Report of Principal and School Improvement Council

High Performance Partnership, School Improvement Council, PTA Executive Board, School Leadership Team, and all other stakeholders worked together to identify performance goals for our School Improvement Plan. In alignment with Florence School District One Strategic Plan, we targeted the following goals: increase the percent of students scoring proficient and advanced on PACT Math, ELA, Science, and Social Studies in grades 3 through 6 by fourteen percent; meet Average Yearly Progress objectives; continue to increase highly qualified personnel to 100% to meet the requirements of No Child Left Behind; and enhance Parental Involvement.

Through the accomplishments of North Vista Elementary, it is evident that our performance goals are being addressed. Our percent of highly qualified staff continues to improve. The number of volunteer hours has increased from 150 to 237 due to our high performance partnership. MAPS have provided information to help drive instruction. Our PTA displayed student work at the State PTA Conference.

The School Improvement Council, in conjunction with PTA, sponsored several events including "Celebrate North Vista" and planning for a school wide mentoring program. Other programs offered for our school community include the Reading Buddies Program, the Science and Technology Fair, Drama Performance, Artist In Residence, Week of the Young Child, and International Day. Our PTA initiatives provide financial support for each grade level to complete activities for students and parents.

We support several innovative programs to meet the needs of our students including: South Carolina Reading First School Literacy, Math, and Science Coaches; "Arts are Basic at North Vista", South Carolina Arts Commission Grant; Montessori Children's House (Primary and Lower Elementary); Smallness Concept: Mentoring; and I AM Beautiful Program-Character Education.

Katrina Rouse was selected as our teacher of the year; she represents all of our teachers, who are well trained and skillfully teach South Carolina State standards. They share a great deal of knowledge that is imparted across grades Pre K- 6. Our art teacher, Catherine Johnson, was named South Carolina Elementary Art Teacher of the Year.

Our School Improvement Plan remains a vital part of school existence as stakeholders remain focused on a data-driven and research-based framework for enhancing student achievement
