Report of Principal and School Improvement Council

Washington Center, located in Greenville, South Carolina, is a separate public school serving students having severe mental disabilities. Most of the students have concurrent disabilities, such as autism, blindness, deafness, speech deficits, motor impairments, physical disabilities, etc. Significant cognitive disabilities and compounding health issues are factors impacting student progress and attendance. Students are served from throughout the district with special transportation provided. Staffing committees comprised of parents, administrators, classroom teachers, therapists, psychologists, and agency representatives develop individualized educational programs for these students. Following federal Due Process procedures, recommendations for placement at Washington Center are made.

Students in grades K through 12, ages 5 to 21, attend Washington Center. During the 2007-2008 school year, Washington Center served 131 students with 18 classroom teachers, one homebound teacher and 47 para-educators. Support staff also includes: a Hortithery specialist and a Daily Living instructor; Art, Music, and Adapted Physical Education teachers; three administrators; office support staff; a media specialist; physical, occupational and speech therapists; custodial and cafeteria staff; two registered nurses; three licensed practitioner nurses; and an orderly. Vision, orientation and mobility, and hearing services are available on an itinerant basis for qualifying students. The new Washington Center, occupied in the fall of 2005, is a prototype, state-of-the-art facility for special needs instruction. The school includes 19 classrooms, a multi-sensory suite, multi-purpose gym, a media center, art and music classrooms, a hortithery center with greenhouse, a daily living classroom, an instructional kitchen, and a speech lab. Students have access to the state curriculum through standards-based instruction with evaluation via the South Carolina Alternate Assessment.

The school offers many specialized programs: the Mobility Opportunities Via Education (M.O.V.E.), a comprehensive augmentative communication and assistive technology program, a hortithery and daily living program. Students participate in Special Olympics. A certified Dog Therapy team, SC Dogs, provides monthly interactive sessions with trained pets. Sensory integration opportunities are curriculum-based. A state-of-the-art handicapped accessible playground has been completed. Integrated inclusion activities are shared with neighboring regular education schools. The annual "Walk and Roll" PTA sponsored event inspires community involvement. All programs are tailored to meet individual needs. Staff believes that "Those You Think Cannot...Can!" The mission of the school is to provide opportunities for students to explore and develop potential for independent functioning and community involvement by addressing students' individual needs and creating a partnership with home, school, and community.
