Report of Principal and School Improvement Council

Edward E. Taylor Elementary School has made significant progress during the 2007-2008 school year. We were awarded a Palmetto Silver award for improvement of student achievement by the South Carolina Department of Education.

The mission of Edward E. Taylor Elementary School is to develop and implement plans that will educate the whole child by empowering him or her to become a productive citizen and lifelong learner. We have 265 students in pre-K through fifth grade with 256 African Americans and 9 other. We have 48 staff members with five National Board Certified teachers and one National Board Certified guidance counselor. Our staff varies from 1 year to 36 years of experience with 2 teachers having doctoral degrees, 4 Educational Specialists, 7 Masters+30, 6 Masters, 23 Bachelor and 3 Associates degrees.

As a part of our goal to successfully educate our learners and increase the percent of students scoring basic or above we have developed a plan that extends the regular school day until 5:30 p.m. During this time, we offer an intensive intervention tutorial program (IITP) to students in 3rd grade who scored below the 25th percentile on the TerraNova/InView English Language Arts and mathematics subtests and 4th-5th graders who score below basic on the Palmetto Achievement Challenge Test in the areas of English/language arts, math, science and social studies. These students receive additional small group and individual academic assistance tutoring for three days, and for the remaining two days participate in activities designed to enrich and extend the learning. The curricula and the instructional practices utilized in this intensive intervention program are based upon teacher recommendations, student academic plans, IEP's classroom assessments, district benchmark assessments, SuccessMaker performance and PACT scores. The IITP is provided at no cost to students. Upon parent request, transportation for this intensive tutorial program is also available. Funding for this program is provided by the 21st Century grant and comprehensive remediation funds. At a nominal cost to parents, The Boys and Girls Club of the Midlands also offer child care services at the school until 6:00 p.m.

Our intent is to provide our students innovative opportunities critical to teaching and learning while infusing technology as an interactive way to motivate students to become better participants in the learning process.

Parents, students, teachers, staff, and the community have a unified effort to instill positive character traits and stress personal responsibility in each of our students. Our school motto "Do unto others as you would have them do unto you" is a testament of our commitment to academic success for all.

Debbie R. Hunter, Principal Bonita Chisolm, SIC Chairperson
