Report of Principal and School Improvement Council

"Simply The Best" resounded through the hallways of Jesse Boyd in 2007-2008. For the third consecutive year, our test scores continued to rise and we met AYP (adequate yearly progress). These two achievements would not be possible without the tireless work of our outstanding faculty and staff, students, parents, and partnerships. Everyone involved with Jesse Boyd shares our mission of providing every child every chance for success.

This year was an action oriented year with the addition of programs, trips, and initiatives that helped achieve our school's mission. Jesse Boyd was honored to receive a SC State Department of Education grant to add a science coach to our staff. Freda Chambers joined Jesse Boyd and has helped our teachers implement an inquiry based approach to teaching science. Our teachers continued to implement our balanced literacy approach to teaching all content areas. To assist in achieving both these goals, Meredith Rose, our Lead Interventionist, won a \$6,000 grant to provide students with science and math literature and manipulatives to fuse their learning in English Language Arts, Science, and Math.

Our teachers' commitment to learning and growing their craft of teaching was shown by participation in collegial study groups after school. Technology grew at Jesse Boyd this year as well. Jeanie Cox, our computer lab attendant, became our School Technology Technician, and six more of our classrooms were equipped as "Sight and Sound" classrooms. Each teacher created a web page for his or her classroom, and class-to-class blogging book clubs began. Our Reader's Theater stage was built by 6th grade teacher, Jonathan Duvall, and the program was extended to other grade levels. In addition to our 4th grade trip to Camp Greenville, 5th grade trip to Barrier Island, and our 6th grade trip to Washington, DC, we included a 3rd grade trip to Charleston.

We held our first annual Bike to School Day in April and Family Science Fun in January. Two after school clubs were added to Jesse Boyd as well. Girls on the Run, a running club, and a 4th grade science garden club were created to give students other opportunities for success. Our PTSO and SIC both worked tirelessly year round to provide reading incentives for students, teacher requests for classroom needs, additions to classroom libraries, and special treats for teachers and staff throughout the school year. PTSO and SIC members logged more than 3,000 volunteer hours at Jesse Boyd this year. Our partnerships provided tutors, mentors, improvements to our nature trail, and an outdoor classroom. The most exciting news for Jesse Boyd this school year was the announcement that we are beginning the process of implementing an International Baccalaureate Primary Years Program.

Throughout all of these activities, our care and commitment for the success of each child at Jesse Boyd Elementary has remained constant, and it is easy to see why, "There's no place I'd rather be than JBE!"

Ken Huff, SIC Chairperson
