**Report of Principal and School Improvement Council**

The School Improvement Council of York Road Elementary School has prepared this summary report of the school's accomplishments for the 2007-2008 school year and the goals for the 2007-2008 school year.

Teachers worked diligently this year on Understanding by Design—an approach to curriculum development that helps teachers form units of study. Numerous staff development hours were used to study and understand this framework. Teachers were also given the opportunity for additional staff development through participation in various conferences and workshops, including those on autism, literacy, and differentiated instruction.

A partnership was begun with the Urban Learning and Leadership Center to study data in order to make decisions that will positively impact academic performance at the school. Through the combined efforts of ULLC, preliminary plans are underway for a school renewal program which we will continue next school year.

Efforts were made to expand our existing PTA and SIC membership. York Road is very grateful to these organizations for their work to promote academic excellence, parental involvement, and community involvement. Our PTA continues to support our classrooms through fund-raising and volunteer efforts, including this year's biggest event, our Family Bingo Night and Silent Auction where approximately \$7,000 was raised for our school. The PTA made an \$8,000 contribution to the school for safety and literacy efforts. We will continue our work toward strengthening both of these organizations in upcoming years.

We continue to review all data in order to make decisions that will positively impact student achievement at York Road Elementary.

J. Patrick Robinson, Principal  
Steve Oehme, SIC Chair
