REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Harbor View Elementary continues to strive for higher scores, greater academic achievement, and well-rounded students. The SC Oversight Committee has rewarded Harbor View for the fourth year in a row for successfully closing the achievement gap. We were one of twenty schools in our county to receive this honor. This award shows that our students are striving to achieve their best for a quality education.

The School Improvement Council and our Parent/Teacher organizations have greatly enhanced our school's ability to achieve by supplying us with much needed equipment, rewards, and school supplies that are critical to student growth. The support we get from the SIC and PTA helps our school tremendously.

We have a partnership with The College of Charleston and the Citadel that enhances our educational program as well as the colleges' programs. We provided classroom teachers to help them with their student interns and their student teachers. Our teachers are always encouraged to provide help to these prospective teachers.

We encourage everyone to visit our school and see the outstanding job our staff, parents, and students do on a daily basis. We are proud of the professionalism our staff exhibit, the progress our students make, and the support we receive from parents.
