Percent satisfied with school-home relations	83.3%	75.9%	84.6%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Oakland Elementary School has a long, rich history of meeting the needs of children in its community. Oakland is located in the West Ashley area of Charleston. We serve a student population that comes from a wide range of cultural and socio-economic backgrounds. Our school educates students in Orthopedically Impaired, Learning Disabled, Speech, Child Development, and Kindergarten through Fifth Grade classes. Administrators, teachers, and staff make our school a positive place for students, parents, and families within our community.

Oakland offers a traditional education that focuses on the basics, while enhancing the curriculum with technology, creative arts, and many other programs. Oakland has enriched its academic curriculum through the continuation of a Comprehensive School Reform Grant that enabled us to infuse technology and more into the core instructional areas. The web-based CompassLearning Program has made it possible for us to tailor remediation, practice, and enrichment activities for all of our students. Parents access the program and monitor student progress remotely and at our school.

Oakland has repeatedly received recognition for excellence at the state, local, and national levels. Some of the significant accomplishments include being a National Blue Ribbon School Winner and receiving Exemplary Writing Awards. We have earned the Palmetto Gold Award for our high academic achievement for three years, and we received the Palmetto Silver Award for one year. We have also met 100% of the NCLB Average Yearly Progress (AYP) indicators and have been recognized by the Education Oversight Committee (EOC) for Closing the Achievement Gap for Historically Underachieving Students.

The goals established this year pertaining to academic performances are (1) students performing in the proficient and advanced levels on the PACT standardized assessment will continue to increase by 5% and (2) students performing below basic will continue to decrease by a minimum of 5%.

Oakland has a highly skilled staff committed to providing a strong educational program with elevated expectations for student achievement. "Teaching Tigers to Triumph" is the motto that drives us to deliver an excellent instructional curriculum and a safe, friendly, and inviting learning environment.

Deitra L. Brown, Principal
Nicole Anderson, SIC Chairperson
