Percent satisfied with learning environment	100.0%	87.9%	97.6%
Percent satisfied with social and physical environment	97.4%	82.8%	87.8%
Percent satisfied with school-home relations	67.6%	93.1%	90.5%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Through shared decision making, a positive climate, and high expectations, Pepperhill Elementary School continues to ride the wave of success! At Pepperhill, we use data to drive our instructional decisions. Our academic success is directly tied to our “RBI” (RIT Band Instruction) and our collaborative teacher teams. We use the NWEA’s MAP test (Measures of Achievement and Progress) to gather data on student needs. We take the MAP test in the fall, winter, and spring. With this information, we group our students for a very intense, hands-on instructional block each morning. Students are grouped based on their RIT band on the MAP test. This laser-focused instruction helps students grow in the areas that they need most. This targeted instruction fills the gaps in student learning and helps children excel. Dramatic increases in student achievement are possible when we use data to drive instruction and we differentiate for student needs.

Our faculty and staff continue to participate in numerous professional development activities. All certified teachers received training in 6+1 writing traits, higher-level questioning, Rigor and Relevance, effective use of interactive white boards, and Balanced Literacy. With the Diverse Pathways Grant Partnership, several of our teachers have attended and presented at state and national conferences this year. In following our belief of true collaboration and a learning community model, our school has served as a showcase school for flexible grouping RBI instruction, hosting many visitors from the state and nation.

Our learning community model has also grown this year with the addition of the School’s Out partnership. Through this partnership, our neighborhood school has become a hub for community engagement and learning. We offer adult education classes, workshops, and community events. This community connection has increased our community involvement with adding over 2,000 hours of service at our school.

We all have a common goal for the children, and it is simple, “All children can learn, and all children can excel!” It is a job that we take very seriously, and we work fervently to reach every child. These efforts were recognized by the state this year when, for the first time, we received the Palmetto Silver Award for raising our report card rating to Average and our Improvement rating to Good. We have continued this incredible journey to accelerate student learning as shown by meeting AYP for the fourth consecutive year.

Everyone in the Pepperhill family works together for the success of our students to diligently provide them with the best educational opportunities. We believe that excellence is in the classroom!

Tanya Underwood, Principal
Sally Ann Archie, SIC Chairperson
