REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Mt. Zion Elementary School, working in partnership with students, staff, parents, and the community, is to ensure that all students are provided a high-quality education through curriculum that utilizes approaches based on content advancement, analysis of abstract themes and concepts, development of complex thinking processes, and transformation of learning into creative products.

A review of the data shows that our school-based Gifted and Talented Program has helped us maintain and grow the number of students scoring in the proficient and advanced categories on PACT. Our Discovery Program has also been effective in helping to meet the needs of our high-ability learners.

We continue to support our struggling learners through activities that are designed to challenge them and support them at the same time. We are determined to make every student reach higher.

We invite you to join us as we work towards fulfilling our mission.
