Percent satisfied with school-home relations	87.5%	90.5%	85.2%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

James Island Elementary continues its trend of higher scores and greater achievements. The State Education Oversight Committee applauded us for successfully closing the Achievement Gap. We are one out of twenty schools in the district awarded this honor. This type of evaluation reflects our true dedication to the high-quality education of all of our children.

Our PTA and SIC continue to grow as student enrollment increases each year. In addition, numerous business partners have committed their alliance and support. This support comes not only in monetary donations, but in mentor relationships, tutoring buddies, classroom resources, and countless hours on constructions for the outdoor classroom.

JIES continues to be involved in a three-year grant from the State Department to improve language arts scores. We want to raise the bar for all of our students and challenge them to be independent and confident readers and writers.

Our continued partnership with the College of Charleston expands our instructional practices and offers professional development for our teachers. The Outdoor Classroom by our pond is a huge accomplishment that derived from our affiliation with the College of Charleston. Children in the outdoor setting will have a unique opportunity to learn in a powerful way. Students will grow in their knowledge about the Lowcountry without leaving their own backyard.

I hope you have enjoyed reading about our successes. This serves as an open invitation for you to come and visit our school and see for yourself the outstanding job our staff and parents do every day.

Cathy H. Coleman, Principal
Tricia Farrelly, SIC
