REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Lake View Elementary, a Title One School, was the proud winner of the Palmetto Gold Award during the 2007-2008 school year. This award represents the continuous work and dedication of the students, teachers, administrators, and parents on a daily basis to ensure that all students are successful. The school received an award flag, certificate, and \$7,311.

Lake View Elementary was awarded the Red Carpet School Award for creating a family friendly environment and providing excellent customer service. Several new initiatives were implemented to foster a family friendly atmosphere. The media center conducted a "Library Late Night" each month to provide after school time for parents and students to use the library. Parents and students were able to check out books together, use the computers for research, or use the puppet theater to act out books. A parent center was opened so that needy families would be able to receive school supplies for their children. Parents could also use the room to assist their children in completing school projects. A classroom buddy program was implemented to involve the community in our school. Twenty community volunteers adopted classes and visited monthly to read to the students, eat lunch with the students, and assist with classroom celebrations.

A new behavior incentive prize program was designed by the School Improvement Council and implemented to promote good behavior. Student prizes were awarded each month. As a result of this program, discipline referrals were drastically reduced.

Lake View Elementary is proud of their accomplishments and invites you to come see all of the wonderful things happening at our school.
