Percent satisfied with school-home relations	100.0%	94.0%	90.0%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The academic success and wellbeing of our students at Tamassee-Salem Elementary School are always the chief factors in decision making at our school. We pride ourselves on offering a welcoming and safe environment not only to our students but also to our families and visitors. We were recognized by the SC State Department of Education for this accomplishment by receiving the Red Carpet Award for the second time. Our school has met Adequate Yearly Progress under the federal No Child Left Behind Act for the fifth year in a row. Our scores on the MAP (Measures of Academic Progress) continue to meet or exceed the district and/or national averages. The number of third, fourth, and fifth graders identified as being eligible to be served in the Gifted and Talented program is rising each year. Our school is accredited by the South Carolina Council on Accreditation and School Improvement along with the Southern Association of Colleges and Schools. Our Pre-K program is licensed by the Department of Social Services and the National Association of Young Childhood Education.

Our students participated in before-school activities such as our fifth grade orchestra program, Cougar Leaders, chorus, and our reading and math computer labs. They also participated in afterschool activities, including Junior Beta Club, Walking Club, and Art Club. Our annual Talent Showcase provided an opportunity for our students to perform for their peers, families, and the community. Our students also represented our school exceedingly well with their artwork at the Blue Ridge Arts Association and with excellent science fair projects at the AOP Regional Science Fair. Several of our students' writings were chosen to be published in anthologies of children's literature. Tamassee-Salem Elementary was named an American Red Cross Hero by raising more than \$1000 for our local Red Cross chapter to help with needs in our county. Our students and faculty also raised money for American Cancer Society through Relay for Life. Students, faculty, staff, and parents helped to create our Outdoor Learning Center.

The faculty continued their education through various coursework, workshops, seminars, and the Summer Institute. The topics included technology, balanced literacy, positive behavior intervention, special education initiatives, learning strategies, curriculum mapping, and many others. We are beginning our fifth year of PBIS and will continue using the PAWS procedures throughout our school and in the individual classrooms.

We appreciate the support of our Tamassee-Salem Elementary families and community members who volunteer many hours to our students and continue to support our Back-to-School Night, Open House, Grandparents' Week, PTO events, concerts, and other programs.

Our students may leave our halls, but they never leave our hearts.

Myra A. Dillard, Principal
