REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

This year has been a productive year at Foster Park Elementary School. Our school received recertification from SACS (Southern Association of Colleges and Schools). Our school maintained its ABC Arts Status and was able to secure two Artists in Residences. We were fortunate to have a Japanese Artist who shared her artistic abilities, as well as, her culture with the students.

We offered several tutorial and enrichment after school programs this year. We believe in developing the whole child and firmly believe that children thrive in a positive and challenging environment. Our school achieved AYP (Annual Yearly Progress) this year by meeting 19 of our 19 objectives. These objectives included student performance, graduation rate, student attendance, and participation in the state testing program. Our school received a RIF (Reading is Fundamental) grant and as a result, Dollar General provided every student in our school with free books. We exceeded our reading school-wide goal of 25,000 hours. Our school also hosts an Exemplary Writing Contest each nine weeks. Our Positive Behavior Grant funded many of the positive incentives for our staff and students this year. Universal breakfast in the classroom continues to provide our students and staff with a great start to the day. This family style breakfast sets the tone for the day.

Our teachers continue to obtain creative classroom materials by writing and receiving Donor's Choose Grants. Likewise, continued staff development keeps our teachers and staff trained in best practices. Teachers are currently finalizing Pacing Guides, Curriculum Guides (written using the Backward by Design Model), and Math Kits that were piloted this year. Community involvement also plays a large part in the success of Foster Park. Our volunteer hours exceeded 4,000 hours this year. Our students and staff have benefited tremendously by the mentoring efforts of our local churches and community volunteers. Even with our high poverty level, our children became involved in giving back to the community through numerous community projects such as Relay for Life, March of Dimes, St. Jukes Math-a-Thon, and Jump Rope for the Heart. Our school won top honors in many of these events. We truly believe that our students, staff, parents, and community are "Building a Family Where Children Soar as Eagles."
