REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Bellevue Elementary and Bellevue School Improvement Council submit the following report for 2007-2008. Bellevue again met Average Yearly Progress for NCLB and were one of six out of twenty-one schools in Rock Hill Three to have satisfied this requirement for five years.

On 2007 PACT in English Language Arts 82% of Third graders, 93% of fourth graders, and 78% of 5th graders scored Basic or above. In Mathematics 70% of third graders, 93% of fourth graders, and 80% of fifth graders scores Basic or above on PACT. Bellevue is a Title One school with 63% of students on free/reduced lunch.

Again this year we focused closely on grade level developed common pre-assessments and post-assessments to drive planning for instruction for each South Carolina Academic Standard taught in mathematics and reading strategies. Our goal continues to be that 90% of our students achieve mastery at 80% or higher. Students meeting this goal on pre-tests were taught enrichment/accelerated skills. Students failing to meet 80% mastery on any standard were re-taught individually or in small groups. All non-homeroom staff teamed with homeroom teachers in weekly re-teaching sessions to be sure skills were learned.

MAP (Measurement of Academic Progress) was administered three times to measure of progress and to predict success on PACT. In spring 2007 MAP predicted our success on PACT to within two points in each area (except third grade math). Spring, 2008 MAP results predict basic or above performance in mathematics for 84% of third, 84% of fourth, and 87% of fifth grades. In ELA Spring 2008, MAP predicts success for 84% of third, 87% of fourth, and 84% of fifth grades. Eighty-eight percent of first graders again completed the year reading on beginning second grade level 16-8.

PTO and SIC continue supporting the school with activities such as Fall Festival, Sweetheart Dance, and Family Movie Night. Having a new cafeteria with doubled seating capacity has been appreciated and enjoyed by our families.
