REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Springfield Elementary School's journey into the 2007-2008 school year was one of challenges, accomplishments, and celebrations. The Springfield Elementary family, under the leadership of Principal Scott Frattaroli and Assistant Principal Ryan Bridges, welcomed an additional Assistant Principal Michelle Gritz, as well as 30 staff members and 200 students. The changes in the growth of our school community may have affected our school's population, but our teachers and staff continued to maintain high quality educational programs for all students.

This past year offered many opportunities for our teachers, students, and parents. Academically our third grade classes ventured into "FLEX" time, a daily time that our students learned through differentiation of math instruction. Small groups of students benefited from hands on manipulatives and educational activities. All staff members were offered the opportunities to participate in professional development activities such as conferences and workshops. In addition, grade level teachers were given time throughout the year to plan for differentiation of instruction to implement within their classrooms. Springfield Elementary continued to offer quality extracurricular activities such as Girls on the Run, Environmental Club, Knitting Club, and the Archery Club, which won the state title this season. In its second year our safety patrol took on greater responsibilities in order to provide additional safety to our student body. In addition to the student council's participation in Dimes for Diabetes fundraiser, they also participated in the "Red" campaign which raised money for AIDS awareness in Africa. Through our very supportive PTA, the students, teachers, and parents benefited from a computerized check in system which provided picture ID's for all visitors. Our PTA also sponsored an Artist in Residence to work with our 5th grade students. As a result of their work, a colt sculpture was created to be displayed in the front of our school.

Beginning the 2008-2009 school year, Springfield Elementary will open its doors with the attendance of 1,060 kindergarten through fifth grade students. Due to a freeze on enrollment, our Springfield family will maintain a low teacher/pupil ratio and continue to offer excellent educational opportunities for all students.
