Report of Principal and School Improvement Council

The theme for Cheraw High School continues to be "Failure is Not an Option." Accomplishment and expectations combined to make 2007-2008 a good year for Cheraw High School. Cheraw High School underwent visits and evaluations by the Blue Ribbon Schools of Excellence, Inc. and High Schools That Work Technical Assistance Team. The year was also marked by numerous accomplishments by both students and faculty.

Emphasis continues to be placed on student achievement. High Schools That Work will continue to be a school-wide initiative for 2008-2009. The students were involved directly with faculty advisors through an advisor/advisee program. The students also participated in the Accelerated Reading Program and other Literacy Across the Curriculum Programs. Wal-Mart and Sentry Bank, both of Cheraw, recently donated to the math department at Cheraw High School to help purchase new calculators.

Some of the accomplishments for Cheraw High School are as follows: Fifty-eight seniors were eligible for a Life Scholarship and 30 students were eligible for a HOPE Scholarship from the State Department of Education. The State Department of Education named five students as Palmetto Fellows Scholarship recipients. Two seniors were named South Carolina Teaching Fellows by the South Carolina Center for Teacher Recruitment. The Academic bowl Team won the Overall District Championship. Two seniors received Athletic Scholarships. The Varsity Football team won the 2A State Championship for the second year in a row. The Cheraw High School Marine Corps Junior ROTC Air Rifle team finished second in the annual NRA National JROTC Postal Match. The MCJROTC received a grant from the NRA Foundation to support its Marksmanship Program. One senior has been selected as the top Career and Technology Education student in the Pee Dee Region (Chesterfield, Dillon, Darlington, Florence and Marion Counties) and as a result has been designated as the region's Technology Champion and was joined by 11 other regional Technology Champions from across the state for a recognition ceremony during the opening session of the SC Education and Business Summit at the Carolina First Center in Greenville on June 22. The Summit is attended by more than 1,500 South Carolina educators and business partners annually.

There is much at Cheraw High School of which to be proud. However, there is still much to be done to insure that Cheraw High School is one of the "best high schools" in South Carolina.
