Report of Principal and School Improvement Council

Fairfield Central serves all areas of Fairfield County as a 9–12 high school. The school is comprised of approximately 962 students. We have a student body that is very diverse in culture, with 93% of the student body being African-American, 4% being white, and 3% being of Hispanic heritage. The faculty is made up of dedicated educators who strive to provide all students with the opportunity to learn each day without regard to prior academic achievement. We are committed to the belief that every child can learn.

Proper preparation for higher education and careers is a goal of the school. The school encourages all students to prepare for post secondary education. We also help prepare students for vocational careers by providing instruction by partnership with the Fairfield County Career and Technology Center. We have experienced a significant increase in the High School Assessment Program (HSAP) scores in both language arts/reading and mathematics. In addition, we have had 59 students recognized as life scholarship recipients and one student to receive the prestigious "Palmetto Fellows" scholarship. We also were a recipient of the Palmetto Gold Award for improvements in our test scores.

Fairfield Central High School is a Learning Focused Project School whereby instruction each day incorporates "best practices" research. All teachers are trained to use the Learning Focused strategies as they teach. All students participate in the Academic Enrichment block each day, designed to address individual weaknesses students have that may hinder their academic potential. Our students also use the Reading Counts Program extensively to improve overall literacy proficiency.

We hope to increase our reading and math skills, as well as our test performance through these innovative programs. We plan to use additional funds in the upcoming years to make our school completely standards-based, through extensive faculty and staff development, and training in content areas as well as teaching strategies.

In addition to academic performance, students at North High School excel in extracurricular areas as well. Our varsity football, track, and boys/girls basketball teams competed in the state playoffs. Our award winning Griffin Band was chosen the top performing group at the 2007 state sponsored Carolina Carillon parade. Our mission is to continue to provide excellent educational opportunities to our community.
