Report of Principal and School Improvement Council

The School Improvement Council (SIC) met during the 2007–2008 school year and evaluated school programs. The mission of the school is to offer each student interdisciplinary experiences that develop the student's intellectual, social, physical, creative, and technological potential in a safe environment. Blue Ridge High School continues to make every effort to provide the highest quality education for its students and to maintain high expectations of all its students. In collaboration with the faculty and staff, community, PTSA, Booster Clubs, and SIC, Blue Ridge High School makes every effort to provide the finest educational experience for students.

Improvement strategies have been developed and are ongoing. These efforts include a HSAP Plan for 9th and 10th graders, the offering of two HSAP courses for students that have not passed the test, and a rigorous academic program with broad course offerings. Eighty-eight percent of the 2008 graduating class enrolled in either a two-year or a four-year college. Our 217 graduates earned over 4 million dollars in scholarships for higher education. In addition to a strong academic program, Blue Ridge High School is well known for a strong athletic program and award-winning visual arts, chorus, and band programs. Blue Ridge High School, also, offered the first Release Time Bible course elective in the state.

Blue Ridge High School fosters a climate where learning must be shared by the home, school, and community. Exhibiting southern hospitality at its best, our community takes pride in its open and welcoming atmosphere. As the school's population has continued to grow, so has the cultural and ethnic diversity, thus, illustrating our commitment to educate students from all backgrounds.
