## Report of Principal and School Improvement Council

A team which consisted of educators from across the state, a parent, a middle school faculty member, a local business representative, and a representative from a local college, visited our school and evaluated our instructional program in October. This visit was required by the Education and Economic Development Act of 2005 as part of the High Schools That Work initiative. The feedback from the visit produced promising practices observed; next steps planned by the school; and focus areas for the administrators, faculty and students. The report will be very beneficial in planning for ways to improve student achievement.

In February of 2008, the South Carolina Department of Education's Office of School Facilities closed two of our wings (fifteen of our thirty classrooms) due to structural integrity issues. For fourteen days, classes were taught in all available areas, and students were transported to the Ninety Six Resource Center at the primary school for classes. During these fourteen days, twenty portables were set up to house the students and teachers who were displaced. We have settled into our new "learning cottages" and the instructional process continues.

Highlights and accomplishments during the 2007-2008 school year includes the following:

2007 US News & World Report Bronze Medal Winner

Palmetto Gold Award winner

Adequate yearly progress rating

Approximately \$1.2 million in scholarships received by graduates

Four Palmetto Fellows recipients

Thirty 2008 graduates qualified for the Life scholarship

State winner in the Young Adult Banner Competition

Highest individual scorer in the state's Academic Team competition

Third place in 1A Marching Band competition

20 students selected for County Band
