Report of Principal and School Improvement Council

MBHS is pleased to share with you the School Report Card that provides the progress made by our school. We maintain gains in student achievement and attendance as we decrease the number of retained students, drop-outs, and discipline referrals. Our graduating class had 73 LIFE Scholarship recipients and was awarded more than \$4.2 million in scholarships. We believe that these are just a few of the indicators of our district, school, and community commitment to excellence.

Our 9th and 10th grade academies, "The Hawk House," continue to be a success. We were able to move students within the three teams to best serve all students throughout the year. Our staff uses data to assist with scheduling and identifying teaching strategies for all students. Our curriculum specialist and teachers utilized creative scheduling throughout the year for student academic support. Our teachers continue to give a minimum of one hour per week for tutorial services. Attendance sessions are offered for students needing to make-up missed instructional time, and on-line programs are available for credit retrieval and acceleration. Workshops were offered for SAT, ACT, and AP writing throughout the year by staff members. Students were also able to use an on-line SAT tutorial program both at school and at home. The SAT/ACT coaches tested all 11th and 12th graders with the on-line SAT program in which the results were used for student guidance for further testing, course recommendations, and college choices.

Extracurricular activities are an essential part of student growth. A variety of clubs and organizations are found at MBHS, including Model UN, Academic Team, Interact, NJROTC Drill Team and Color Guard, Key Club, National Honor Society, and Beta Club. They are involved in varied community service projects to ensure a constant connection between school and community. Our fine arts program represents approximately 25% of our student body in the areas of band, chorus, art, and orchestra. Our varsity athletic teams continue to be strong competitors in all areas. Thirteen of fourteen varsity teams competed in post-season play, and MBHS won State Championships in boys' basketball and tennis.

School-community partnerships continue to play an integral role at MBHS. Our School Improvement Council, PTSO, Parent Forum, Local Advisory Board, MB Educational Foundation, and Parent Volunteers assist in our strategic planning and school improvement. They additionally provide input concerning academic performance, parent involvement, and school-community relations.

With you, MBHS continues to "raise the bar" for academic excellence!
