Report of Principal and School Improvement Council

We have had an outstanding year at Mid-Carolina High School, a school with a long-standing tradition of excellence. That tradition continued during the 2007-2008 school year.

The focus for school improvement has been, and will continue to be, student achievement. We were very pleased to see the percentage of students passing the English-language arts subtest of the HSAP go up significantly, from 80% in 2006 to 87.9% in 2007. Our math scores on the HSAP remained fairly consistent, increasing slightly from 83.4% in 2006 to 84.9% in 2007. We saw an increase of 68 points in SAT composite scores from 2006 to 2007 (28 points in math and 40 points in verbal). All of our graduating seniors who were working toward a diploma passed the HSAP by the fall of 2007. In addition, 56.7% of our graduating class qualified for the LIFE scholarship.

MCHS is known for its strong athletic and fine arts programs. This year, the softball, baseball, and girls' basketball teams all advanced to the state playoffs, and several students competed and placed at the state level in track. Our football team broke a 40-game region losing streak and went on to make the playoffs for the first time in many years. Our competition cheerleaders competed for a state title. For the second year in a row, our archery team placed first in the state competition and went on to compete at the national competition in Kentucky. The band competed in the state marching competition and also won the Outstanding Performance Award again, the highest award that a band can be granted by the South Carolina Band Directors Association. Our chorus students competed in many state activities, including the USC, Furman, Columbia College, and Region Honor Choirs and All-State Chorus. Our art students also had an extraordinary year, with five students being selected to attend the Governor's School for the Arts and Humanities summer or residential programs. In addition, two students were selected for the Governor's School for Math and Science residential program.

We will continue to strive toward engaging our students and reaching for the stars. We are most proud of the role that our school plays in the community, and we certainly appreciate the support that we receive from parents and community members alike. We are also blessed with a dedicated faculty and staff, and their diligent efforts continue to foster improved student achievement at MCHS.
