REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

We continued to have many successes at McBee High School. Overall, the Class of 2008 received \$570,900 in scholarships. Our students made progress through our reading initiatives. The Summer Reading Program is in its 6th year, and again we amassed over 20,000 points in our Accelerated Reader Program.

We participated in a Technology Initiative that provided each 7th grade student at McBee High with a laptop. The 7th grade was also involved in a cooperative learning exercise called Project-Based Learning.

We continued to explore the realm of technology by adding thirteen Promethean Boards in various subject-area classrooms and hope to expand this effort to even more classrooms in the coming year.

Our football team made it to the playoffs this year and captured the first ever playoff victory in the history of McBee High School. The baseball and softball teams were involved in playoff races that came down to the wire.

The big news in testing is that the End of Course (EOC) test now replaces the SAT average on the high school report card. So not only does the EOC test count 20% of a student's final grade, it will have a significant impact on our high school report card.
