REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Johnsonville High School's students' outstanding achievements on standardized tests and in academics, athletics, and fine arts; their earning of many awards, scholarships, and media recognition; and their performance on academic teams and the Advanced Placement exams are evidence of the implementation of the school's philosophy and goals. High expectations are demanded of our students by parents, teachers, administrators, and the community. Among our accomplishments are the following:

One hundred percent of the Class of 2007 passed all parts of the Exit Exam and 62% of the Class of 2007 are candidates for scholarships from the state. Four Seniors were selected for the 2007-2008 South Carolina Palmetto Fellows Scholarship. Three students have qualified for the Governor's School of South Carolina. One Student was selected to the Governor's School for Math and Science. The JHS Mock Trial Team won 1st Place in the Regional Competition. The Academic Team placed second in the Pee Dee Regional Academic Challenge Tournament.

The Boys Baseball Team won Runner-up Lower State. The Girls Volleyball Team finished as Lower State Champs and Runner-up in the State. The Girls Track Team won the State Championship which is the eleventh time in school history and a record in the State. The JHS Golf Team finished 7th in the State.

JHS has ten teachers who have received National Board Certification. One math teacher received the Presidential Award for Excellence in Math and Science Teaching.

The Johnsonville community is basically rural with an industrial-based and agriculture-based economy. Cooperation and interaction between community and school serve to provide successful educational progress.

Johnsonville High School exists in order to help each student develop his fullest potential and reach his optimum intellectual, physical, aesthetic, moral, and social development. The school's curriculum provides opportunities for frequent and varied student participation in school events, and adjustments are made according to the abilities and needs of the students. Likewise in accordance to the State Department of Education mandates, all of our course curricula have been correlated with the state standards.
