Character development program	Excellent	No Change	Good	Good
Modern Language Program Assessment	Average	N/A	Good	Good
Classical Language Program Assessment	N/A	N/A	Average	Average
% of AYP objectives met	100.0%		91.9%	90.5%

\* Prior year audited financial data available.

## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2007-2008 school year at Boiling Springs High School was a time of reevaluation and implementation of curriculum and instructional strategies. Parents continued to be involved in our school environment in a positive way. Teachers and administrators worked in conjunction with the Spartanburg School District Two district office to develop Curriculum Guides to direct BEST educational practices among our instructors. Most importantly, students came to school and received a world-class education from our exceptional faculty every day!

The school community continued its emphasis on our School Literacy Program with Silent Sustained Reading (SSR) and reading incentives. Special recognition for students and teachers for participation were awarded. Parents were encouraged to participate in our Literacy Program as positive role models for our students. We believe that this program will continue to benefit students in their academics. Cognitive Compatible Classroom practices were implemented, and teachers used these strategies to enrich the learning environment for our students. We began a discussion on the implementation of the High Schools That Work (HSTW) reform model at Boiling Springs High School which, when implemented, will give our students a rigorous and relevant education. We think these adjustments will reap excellent benefits for our students as they graduate into a continually changing work environment.

As always, student achievement is the number one priority at Boiling Springs High School. During the 2007-2008 school year, 64% of our students were members of our Renaissance Academic Club. Because of their focus on academic and community activities, the graduating class earned \$8,229,276.00 in scholarship dollars, which is an increase of \$2,926,276.00 over last year. For the first time students enrolled in Virtual School courses to extend their learning. The Boiling Springs High School Marching Band was the 2007-2008 South Carolina 5A Upper State Marching Band Champions. Our baseball team won the South Carolina 4A State Baseball Championship for the 2007-2008 school year. We certainly had many accomplishments to celebrate and many reasons to be proud of our student body during the year!

We are truly fortunate to have tremendous support from our parents and community. As a school of exceptional educators and a community of caring parents, we will continue to provide the BEST education that the state of South Carolina can offer. With an articulated focus on Academics, Arts, and Athletics, it is our belief that our students will continue to meet an ever-changing world ready to lead! Bulldog Pride!

Mr. Chuck D. Gordon, Principal  
Mrs. Vee. Daniels, SIC Chairperson
