## Report of Principal and School Improvement Council

What a wonderful opportunity we have to do something special. We are fine-tuning our staff and curriculum so that we can offer the students at Wright Middle an education that is second to none. Dr. Randolph, the district office staff, and the Board of Trustees are working diligently to make sure that all needed resources are available so that we can effectively teach children. As an Abbeville County team of educators, I feel that we are more prepared than ever to offer your child quality educational experiences. We encourage parents to take a few minutes each day to communicate with their children on their day at school and help and encourage them as appropriate.
