Report of Principal and School Improvement Council

Sanders-Clyde Elementary/Middle School, a Title I school, located on the Charleston peninsula, serves students in grades PK-8. The student population is approximately 325 students, 99.82% of whom are African-American and receive free/reduced lunch.

This has been a very difficult but rewarding school year. Enrollment increased by approximately 75 students, faculty/staff increased by 12, a new Associate Principal (Melvin Middleton) came aboard, and I was also assigned as principal of Wilmot J. Fraser Elementary School.

Our toughest battle this year has been the middle school. Middle school has proven to be a different being. This year, we struggled to develop a full middle school concept. We committed to continuing single-gender education and its proven benefits, because we have found that for both boys and girls, the experience of single-gender education is important for their emotional growth, academic progress, and general well-being. Next year, we plan on implementing single gender in grades 3-8.

Business and community partnerships are still increasing. We have been blessed to add on the St. Andrews Episcopal Church. They provide one-to-one tutoring, mentoring, Tuesday lunch for faculty and staff, and other pertinent support to our families.

We are blessed this year to begin the groundbreaking on our new, arts-infused school. The unveiling of our new school took place in March.
